MP CITRUS

RESPIREX™

Description

MP CITRUS is an exceptionally powerful cleaner and degreaser formulated from natural citrus oil extract to quickly cut through heavy grease, oil, fat, carbon, traffic film, dye and other soiling.

Dilute MP CITRUS is recommended for the removal of heavy grease, oil and other petroleum type oil deposits from Respirex protective clothing. MP CITRUS is non-flammable, non-toxic and safer than similar solvent based products.

Key Features

- In addition to Respirex PPE, MP CITRUS can be used on floors, walls, machines, bare metals, painted surfaces and other hard surfaces
- Can be diluted with up to 40 parts hot or cold water for fast, effective cleaning
- Fresh, fragrant aroma

Product Documentation
